

WELCOME TO FOURTH GRADE!

Dear Parents and Fourth Graders,

Welcome to fourth grade at Center Woods Upper Elementary School! I am very excited to be your teacher this year. I hope you have been enjoying your summer. I have had a great summer! My husband, our two boys, and I have spent a lot of time hiking, swimming, and playing; though this summer I spent some time healing my fractured ankle too. We have been doing a lot of gardening too; we have our own farm stand.

This will be my third year teaching in Weare and I truly love working at Center Woods Upper Elementary School. In the next couple of weeks I will be busy getting our classroom ready. We will have a busy year in fourth grade. We do a lot of exciting things. We will learn long division, fraction and master our multiplication facts. We will also try some fun science experiments and learn about New Hampshire history. We also do a lot of reading and I hope you have been reading this summer, I know I have been!

Homework will be sent home on Fridays and will be due the following Thursday. In my experience as a parent and as a teacher it is important to give students and parents time to plan a personal homework schedule.

I look forward to meeting you on the first day of school. I hope you enjoy the rest of your summer vacation!

See you soon!

Mrs. Poland
