

Dear 5th Grader and Guardians,

Greetings! I hope you've had a wonderful summer and are ready to fly into 5th grade. I am very excited to have you in my class and am looking forward to a great year of learning together.

This school year, we will focus on getting to know each other, and I will focus on learning about you and your learning style. Understanding who you are and how you learn helps me assist you in reaching your goals. Expectations are high for you, me, and our classroom community. Respect, Responsibility, and Positive Relationships are modeled and taught throughout the year. All your teachers this year have a good sense of humor and encourage creativity and imagination. Our common goal is to provide a safe learning environment for all.

As a 5th Grader you will learn many skills and gain knowledge that will help you reach your goals. I will guide you through the worlds of Math, and Science, while Mrs. Dionne will take you on a journey through English Language Arts (ELA) and Social Studies. You will also participate in a Unified Arts class every day with other 5th grade students.

I look forward to getting to know you and seeing all the wonderful things you're capable of this year. Enjoy the rest of your summer, and I'll see you on Wednesday, August 30th.

Sincerely,
Ms Carver
