

World Language Club Permission Slip

Please sign and date with a parent or guardian and bring to the first WL club meeting on September 8th, or bring to homeroom teacher prior to the first meeting.

I allow my son/daughter to attend the World Language Club after school, and assure that they have a ride or means of transportation home at 4 o'clock when the club ends. I am responsible for remembering dates and times for pickups.

Name of student

Homeroom Teacher and Grade
